

DAY 30

Welcome to a New Life

For years, people have come from other countries to America seeking a better life. This country has been known as a “Land of Opportunity.” Fathers come to work and make a better life for their families. From around the world they come to our universities and colleges to get a better education. They start their own businesses and experience the success of free enterprise. What a great opportunity! No wonder they still try to come, even if it endangers their lives while trying.

If you want lasting change in your life, there will be some sacrifices required. Someone once said, “Nothing worthwhile comes easy.” If you want life to be different, you must start today doing things differently. It may take time to see the results you want, but it will be worth it. With prayer, and devotion, you will find that transformation will take place. John F. Kennedy said, “For time and the world do not stand still. Change is the law of life. And those who look only to the past or the present are certain to miss the future.”

Don't miss the fabulous plan God has for your life by spinning your wheels in the past. It's time to get into gear and surge ahead. He has a better life for you; *it's called your future!*

Scripture Reading:

“His purpose was for the nations to seek after God and perhaps feel their way toward him and find him—though he is not far from any one of us.
For in him we live and move and exist....”
